The Course

This qualification has been designed to give you an introduction into bricklaying. You will develop your skills, knowledge and understanding so that you can begin a career as a bricklayer in the construction industry or progress to further training. It offers you the opportunity to build transferable skills within our dedicated construction workshop, meaning you do not need to be employed to study this qualification.

What You Will Study

- Working and communicating effectively in construction trades
- Prepare to carry out bricklaying
- Bricklaying skills
- Clear and store bricklaying tools and equipment
- English and/or Maths (if not achieved at grade 4)

Entry Requirements

You will need a full Entry Level 3 qualification, or equivalent, or 3 GCSEs at grades 1-2, including Maths and English. A passion for the subject and one satisfactory reference are also required.

Clothing, Equipment and Additional Costs

- Warm clothing and hard-wearing trousers for outdoor/workshop practicals
- Hard hat
- Steel toe capped boots
- Hi-vis bib (optional)

Progression

Higher levels of study are available at the college, such as Level 2 and Level 3 Bricklaying.

Careers

Work as a qualified bricklayer on a range of different building developments, for established companies or on a self-employed basis, as well as specialist work such as restoration and conservation.
