Construction	Level 2	Full-Time	2.5 years	Any Time

The Course

Are you looking to launch your career as a bricklayer? This apprenticeship could be perfect for you. There is high demand within the construction industry. As an apprentice you will have a job and earn a wage whilst building up knowledge and skills within the construction industry, specifically in brickwork. The range of sites and projects that bricklayers work on include large commercial developments, new builds in housing, alterations, extensions and restorations.

Course Aims

- Develop your knowledge, skills and behaviours for employment and future career progression within the industry.

What You Will Study

- Health and Safety
- Masonry Structures
- Radial and Battered Brickwor
- Feature and Reinforced Brickwork
- Building Technology
- Energy Efficiency
- Customer Service

Entry Requirements

You must have GCSE English and Maths at grade E/3 or equivalent. You must also pass an initial assessment, secure work as an apprentice and have one satisfactory reference.

Teaching and Learning Approach

You will learn through a range of practical and theory based lessons.

Time Required on Campus

You will be released from work one day per week to indertake training at the college.

Work Experience

You will be employed within the industry, working 30 - 40 hours per week.

How You're Assessed

You will be assessed through an end point assessment (EPA) and graded pass or distinction. Please note that the duration does not include the EPA.

Clothing, Equipment and Additional Costs

- Stationery, i.e. pens and paper
- An electronic device such as a laptop to access online learning
- Steel toe-capped boots
- High-visibility vest
- Hard hat

Progression

More advanced courses are available at the college.

Careers

Work as a bricklayer on major new housing and business developments, for established companies or on a self-employed basis.
