The Course

Are you looking to launch a career as a farm worker? This apprenticeship could be ideal for you. It's likely that you would specialise in livestock or crops, supporting the operation of farm enterprises such as animal handling and health, maintenance and cleanliness of machinery. You will typically be required to drive farm vehicles and must hold the appropriate license.

Course Aims

- To develop your knowledge, skills and behaviours as required for employment and future career progression within the industry.

What You Will Study

- Health and safety
- Bio-security
- Handling animals
- Operating agricultural vehicles
- Crop/forage storage
- Farm maintenance
- Modules in-line with your job role - livestock worker/crop worker

Entry Requirements

You will need appropriate employment in the agricultural industry. It is preferable that you have GCSE English and Maths at grade 3 or above. If you do not have Level 1 and 2 English and Maths you will need to achieve a minimum of level 1 in these subjects prior to taking the end point assessment.

Teaching and Learning Approach

You will develop your knowledge, skills and behaviours through theory and practical-based lessons.

Time Required on Campus

You will be released from work one day per week to undertake training in college.

Work Experience

Employed within the industry, you will work 30 - 40 hours per week.

How You're Assessed

You will be assessed through an end point assessment (EPA) and graded pass or distinction. Please note that the duration does not include the EPA.
